Subject: Milpitas Rotary Club Carnival – Fire watch services

Date: April 20, 2005

Staff has reviewed the entertainment permit prepared by the Milpitas Rotary Club for the upcoming carnival presented by Butler Amusement. The event will take place on May 12 – 15, 2005 in the Mervyn's shopping center parking lot of the Milpitas Town Center.

In past years, Mervyn's, Town Center, Butler Amusement and Rotary personnel have worked together to provided site security and a first aid station, as well as maintaining access points for emergency vehicles. Additionally, the Fire department has provided one individual to act as fire watch throughout the duration of the event. Historically, no activities have occurred requiring the need for fire watch services.

In their current application, first aid stations, emergency access and site security will again be provided; however security will be increased by a stronger presence of Rotary personnel. These individuals will again be equipped with cellular phones and instructed in the procedures for reporting emergency situations directly to the Milpitas dispatch center. Based upon experience with past events and the additional security personnel and measures provided, it has been determined that the need for fire watch personnel is not necessary.

I declare under penalty of perjury that the above statements and any accompanying statements and documents have been examined by me and are true and correct. I have read Chapter 5, Title III of the Milpitas Municipal Code and agree to comply with the provisions of said Chapter 5, Title III, the permit, the conditions thereof and the laws of the City and State.
